Don,

I attempted to mail you the PDF file containing the Win Productions, LLC CNMP. The file size is too large to transfer as the 291 page document is in one file. I have copied the CNMP to a disk and the disk will be mailed to you today. Let me know if you do not receive the disk in the next couple of days.

I enjoyed the visit with you and Ben yesterday. Let me know if you need anything else or have other questions regarding the facility.

David P. Ginder
Environmental Protection Engineer
Field Operations Section
Division of Water Pollution Control
